

Bernese Mountain Dog Adoption Form

We would like to thank you for your interest in our Bernese Mountain Dogs. We are always open to questions about us, our breeding program and the strengths and weaknesses of our dogs. Please complete the questionnaire and mail it back to us. This question sheet is one of the ways we begin to get to know prospective families and the characteristics that are important to them in a puppy and breeder. Your time and honesty will ensure that our puppies and new families are successfully matched and have a lifetime of cherished memories.
